Announcements from President Bob:

We are now on Facebook! Our Facebook is linked to every page on our website. It's the best way to get new changes out to everyone, etc.

Camped at Jetty Park this summer – had 3 different outings – several rigs attended.

Hosts for this campout are the Snyder's and the Fringer's. Our Friday afternoon picnic went very well. Everyone had an excellent time. We had 4 4-person golf carts and we rode through the grounds of the wildlife sanctuary to our picnic spot. Not too warm, or buggy and very relaxing. There are photos and video on our website. Friday night we had two tables where our members played various card games. Saturday morning an excellent breakfast was had by all! French Toast, sausage and all the trimmings provided by our hosts. Saturday night we had a pot luck dinner, followed by movie night.

Acceptance of previous meeting minutes and reports--motion made and passed. (The May minutes are posted on the website, plus everyone was emailed a PDF copy.) Jimmy Davis motioned that the minutes be accepted. Dean Hunter seconded. Motion passed.

Treasurer's Report: Mary Sue Snyder gave the report. We're in good shape.

Unfinished Business:

- Lynn is checking with Award Trophy in Titusville for them to make the large white/blue patch for our vests. Award Trophy can make the template, but they need to have a good picture of the patch. The Johnson's will furnish a vest for the template.
- Lynn is also checking on the cost of a 45th anniversary patch (May 2016). Award Trophy can also make us a template for the anniversary patch.
- Lynn will update everyone as soon as she knows more. The Chapter will need to be reimbursed for the patches. The President can authorize up to \$50. Anything over \$50 requires approval by the Chapter.

New Business: The Fringer's and the Derleth's are hosting our October campout in Daytona.

50-50 at this outing – \$35 won by Dean Hunter.

Adjournment: Motion made and accepted to adjourn at 10:25a.
